## About IIA

Established in 1941, The Institute of Internal Auditors (IIA) is an international professional association with global headquarters in Lake Mary, Florida, USA. The IIA is the internal audit profession's leader in standards, certification, education, research, and technical guidance throughout the world. Generally, members work in internal auditing, risk management, governance, internal control, information technology audit, education, and security.

## About IIA Cameroon

IIA Cameroon is a Professional not-for-profit association that brings together internal audit professionals and other interested parties practicing in Cameroon. IIA Cameroon aims to create awareness of the contemporary role played by internal audit professionals to promote adoption and application of the Global Internal Audit Standards and advocate globally accepted and recognized Internal audit professional certifications in Cameroon.

April 2024 saw the rebirth of IIA Cameroon as an International Chapter of IIA Global, 6 years after its disaffiliation from the Global network. Created as a not-for-profit organization, its principal objective is to provide dynamic leadership and advocacy for the profession locally.

## Mission of IIA Cameroon

The mission of IIA Cameroon is to provide dynamic leadership and advocacy for the profession of internal auditing in Cameroon. Activities in support of this mission will include, but will not be limited to:

- Advocating and promoting the value internal audit professionals add to their organizations.
- Providing comprehensive professional educational and development opportunities, standards and other professional practice guidance, and certification programs.
- Researching, disseminating, and promoting knowledge concerning internal auditing and its appropriate role in control, risk management, and governance to practitioners and stakeholders.
- Educating practitioners and other relevant audiences on best practices in internal auditing.
- Bringing together internal auditors from all over the country to share information, knowledge and experiences.

## THEME :

# Good Corporate Governance: Internal Auditors as Champions of Change and Accountability

This theme emphasizes the pivotal role of internal auditors in fostering transparency, accountability, and good governance to support sustainable development. It reflects both the urgency and opportunity to build resilient governance structures and showcases how internal auditing contributes to the broader goal of national growth and development.

## Objective of the Conference

The objective of the conference is to explore the evolving role of internal auditors in an era of rapid digitization, emphasizing their critical function as champions of organizational change and accountability.

This conference aims to equip attendees with insights and strategies to strengthen good governance frameworks, leverage digital tools, and foster a culture of transparency and innovation.

By addressing challenges and opportunities in digital transformation, the event seeks to empower internal auditors to drive value, manage risks, and uphold ethical standards in the dynamic landscape of modern governance.
