Looking to get Involved?

Are you interested in getting involved with the chapter? We are always looking for volunteers to help with the chapter's initiatives. Tuesday, August 2 is our Summer Planning meeting. This is a perfect opportunity to meet your chapter leadership and find a way (big or small) to get involved. This year, the chapter's focus is member engagement. As the year progresses, check the newsletters, chapter emails, and website for ways to share your thoughts and provide the chapter with your feedback. Are roundtables of interest to you? As part of the member engagement initiative, the chapter is planning more virtual roundtables. We look forward to seeing you this year.
