THE INSTITUTE OF INTERNAL AUDITORS IIA Wichita Chapter

The Institute of Internal Auditors (IIA) is a global professional organization whose purpose is to promote the practice of internal auditing. This is accomplished through training and development programs, certification programs, and ongoing development of internal auditing standards and professional practice guidance literature. The local chapter of the IIA is the Wichita Chapter.

The Wichita Chapter's Board of Governors has created a scholarship program to assist Wichita Chapter members with the payment of the IIA certification fees.

Scholarship Program

The Certification Scholarship is granted to individuals who are currently members of The IIA, assigned to the Wichita Chapter, and are responsible for paying for their certification expenses.
