

President's Message		What Else is Inside?											
<p>Hello St. Louis IIA Chapter!</p> <p>We made it to the end of the chapter year?! Since this will be the last newsletter while I'm president, I want to thank you all for your support this chapter year! I would also be remiss if I didn't thank my fellow officers, Board members, and all the committee volunteers. As I mentioned in my first message, our chapter's success is a team effort and is a direct result of your dedication and involvement. THANK YOU!!</p> <p>I hope to see you at our first in person event in over two years on May 11 at</p>	<p>TopGolf as we celebrate the end of this chapter year and Internal Audit Awareness Month. This is a free event with a happy hour to network and, of course, golf.</p> <p>Our Programming Team is working hard to build the 2022-2023 programs calendar, which will definitely have in person events! We're still looking for volunteers, and will continue planning the 2022-2023 efforts over the summer and fall months. Reach out to me or any of next year's officers if you would like to volunteer, learn more about our chapter, or provide ideas / feedback. We want to hear from you!</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="background-color: #0056b3; color: white;">President's Message</td> <td style="text-align: right;">1</td> </tr> <tr> <td style="background-color: #0056b3; color: white;">Programs Calendar</td> <td style="text-align: right;">2</td> </tr> <tr> <td style="background-color: #0056b3; color: white;">Upcoming Events</td> <td style="text-align: right;">3-4</td> </tr> <tr> <td style="background-color: #0056b3; color: white;">CAP</td> <td style="text-align: right;">9-10</td> </tr> <tr> <td style="background-color: #0056b3; color: white;">Chapter Contacts</td> <td style="text-align: right;">12</td> </tr> </table>	President's Message	1	Programs Calendar	2	Upcoming Events	3-4	CAP	9-10	Chapter Contacts	12	<p>With that, I'm passing the torch over to Jessi Sievers 😊</p> <p>Enjoy your summer! Exploring Corrective Controls Modality Type: On Demand

In a perfect world, processes, systems, and infrastructure never fail; but in reality, a host of natural and human actions cause disruption to critical business processes. Maintaining a solid operational resiliency program aides’ organizations in combating disruptions. Thoroughly documenting, reviewing, and regularly testing business continuity, disaster recovery, and incident response plans provide a degree of assurance that the organization is prepared for potential business disruptions. Internal auditors need a basic understanding of all aspects of operational resiliency. Without this knowledge, internal auditors may not fully comprehend the risks associated with not having an operational resiliency plans in place. The Exploring Corrective Controls self-study course delivers an introduction to continuity concepts, and emphasizes business continuity, disaster recovery, and incident response. Further, this course guides internal auditors in building proficiencies for providing related assurance services by describing the general IT competencies needed by today’s internal auditors

PRICING FOR ON-DEMAND COURSE:

Available Anytime for \$59

If you are a chapter member and would like to share community event for the month, please submit details to focus.iil.newsletter@gmail.com. We request that members are directly involved with the charity the event supports.

THE IIA'S CIA LEARNING SYSTEM®

SELF-STUDY MATERIALS AND FACILITATOR-LED COURSES

Prepare to pass the Certified Internal Auditor® (CIA®) exam and arm yourself with critical tools and knowledge to excel in your internal audit career. The IIA's CIA Learning System® was created by a team of CIA-certified industry experts to be the most relevant, comprehensive and effective CIA review program available.

SELF-STUDY MATERIALS AND FACILITATOR-LED COURSES

The IIA's CIA Learning System self-study program combines comprehensive reading materials, in printed and e-book formats, with interactive online study tools to teach and reinforce the entire global CIA exam syllabus in a flexible, on-demand format.

READING MATERIALS

- Updated and enhanced materials teach the entire global CIA exam syllabus:
 - Part 1: Internal Audit Basics (1 book)
 - Part 2: Internal Audit Practice (1 book)
 - Part 3: Internal Audit Knowledge Elements (3 books)
- Study with printed books or e-books
- Topics presented in a concise, easy-to-understand format

FACILITATOR-LED COURSES

Facilitator-led courses offer comprehensive study of all related CIA topics in a traditional classroom or online format. These courses, offered by local colleges, universities, and chapters, are ideal for individuals who prefer a set syllabus and personal interaction.

- **Get your questions answered.** Interact with a CIA-certified expert instructor and your peers to clarify difficult topics and apply them to real-world situations.
- **Curb the urge to procrastinate.** Follow a set curriculum to complete your CIA preparations on schedule.
- **Qualify for tuition reimbursement.** Many companies offer tuition reimbursement for courses offered through accredited colleges and universities.
- **Online Classes** are now available!

CAP Status

*The Chapter is currently
"On Track"
for Gold Status!*

Chapter Achievement Program(CAP)

CAP is the acronym for Chapter Achievement Program. The program has been established on the premise that the basic mission of the chapter is to serve its members first and then the internal audit profession. The program, sponsored by the International IIA, encourages local chapters to be active both for the benefit of the chapter members and of the local community.

Local chapters earn credits for the CAP through in the following categories: a) HQ partnership; b) Programming; c) Certifications; d) Advocacy; and e) Membership. The Chapter Achievement Program is made up of three performance levels: bronze, silver, and gold. Thanks to your efforts, our chapter has attained gold status every year since 1997. After ten consecutive years of achieving gold, a chapter achieves Platinum level, which this chapter has earned since 2006. After twenty years of achieving gold, a chapter achieves Ruby level.

So, what can a member do to earn CAP points for the chapter? Examples, include:

- ❖ Attend the monthly chapter meetings;
- ❖ Attend chapter sponsored seminars;
- ❖ Utilize the chapter sponsored Certified Internal Auditor (CIA) review course;
- ❖ Earn an IIA certification;
- ❖ Develop questions for the CIA exam;
- ❖ Recruit new members;
- ❖ Present speeches or training sessions;
- ❖ Write internal audit-related articles for publication;
- ❖ Provide an internal audit internship at your company for a student; and
- ❖ Come up with an innovative way to promote the chapter

So, it's easy to contribute and it doesn't take too much of an effort. You can report CAP activity on the chapter website or directly to the CAP Chairperson Brent Statler at bstatler@sccmo.org
