President's Message

Greetings Members of the IIA Oklahoma City Chapter,

As we move into the final quarter of 2024, I hope everyone has had the chance to reflect on the accomplishments of the year and is ready to finish strong. The fall season is always a busy time, filled with both challenges and opportunities, and I encourage you to continue leveraging the resources and network available through our chapter.

Last week, we had a great turnout for our speaker, Craig Ireland, who sharply articulated on his career of audit insights. Additionally, we are excited to invite you all to our next CPE event on October 22nd which will be a presentation by Bryan Greenwood at the Bricktown Brewery downtown over audit issues he has encountered as a CFO.

We also have two exciting CPE events planned for November, our 8 CPE credit seminar with Dr. Toby Groves who will be presenting on 'The New Psychology of Fraud'. Also, Erin Hicks, a senior consultant with the Addison Group, will be discussing the challenges of the Oklahoma job market with her 'War for Talent' presentation.

Thank you for ongoing commitment to our chapter, and for making this community a supportive and dynamic space for professional growth. Together, we are fostering excelling in internal auditing and contributing to the long-term success of our organization. I look forward to seeing you at our events!
