Description:

We are partnering with the East TN Chapter to offer **Standards for Tennessee CPAs: State Specific Ethics**. This event will satisfy the annual [2-hour ethics requirement for CIAs](#), and the 2-hour biannual requirement for TN CPAs.

Tennessee State Board of Accountancy Rule 0020-05-.03(b) requires all active license holders to earn two hours of Board approved state specific ethics during each CPE reporting period. The Board has partnered with the Tennessee Society of CPAs to help ensure that the most current and accurate state specific ethics content is included in the course material. Perry Glen Moore, CPA, has licensed this material from the TSCPA. The hours earned to fulfill the Tennessee ethics requirement can be submitted to fulfill the IIA ethics requirement.
