Agile de-mystified: techniques Internal Audit can start using tomorrow to elevate business impact

09/10/2025, 12:00 pm-1:30 pm ET

You've probably heard of Agile, but what is it, actually? It's an essential mindset and set of methods that equip Internal Auditors to protect their enterprise in an environment of rapidly emerging new technologies and new threats. This session will clarify fundamental Agile concepts, dispel common misconceptions, and give participants several proven techniques they can begin using immediately to begin delivering impactful audits with greater business value.

Registration: Free for everyone

Emerging Trends and Strategic Opportunities that Maximize Internal Audit's Value

09/23/2025, 11:00 am-12:30 pm ET

Whether your internal audit function recently completed an External Quality Assessment (EQA) or you will do so in the future, this dynamic session will provide valuable insight from EQAs IIA Quality Services has performed to date under the new Global Internal Audit Standards (Standards). The new Standards not only focus on conformance, but they also focus on the performance of an internal audit function. In this session you will gain a clear understanding of actionable insights into trends and opportunities on how your internal audit function can enhance audit quality, ensure conformance, improve performance, boost your function's maturity, elevate credibility with stakeholders, and help strengthen your organization's ability to create, protect and sustain value.

Registration: \$59, free for IIA members.
