Digitally Transforming Internal Audit to Drive Smarter Audits

4/3/25

Join us for an insightful webinar where we will explore how digital transformation is reshaping the internal audit landscape.

As organizations navigate increasingly complex environments, the need for efficient, effective, and data-driven audit processes has never been more critical.

This session will provide valuable insights into how technology can enhance audit operations, improve data analysis and impactful reporting, as well as drive smarter decision-making.

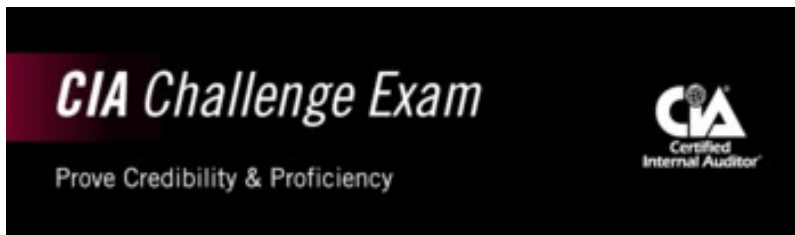

As a Chief Audit Executive or a leader of audit teams, whether you're new to digital tools or looking to refine your approach, this webinar will equip you with the knowledge to adapt and thrive in the digital age of auditing.

CIA CHALLENGE EXAM FOR CISA and CPAs

As a CISA™ or CPA holder, you can take advantage of this limited opportunity to earn the Certified Internal Auditor® (CIA®) designation through an expedited process called the CIA Challenge Exam. This expedited process allows you to obtain the CIA designation after successfully passing the one-part examination.

IIA International Conference

The IIA's 2025 International Conference sets the stage for embracing change and elevating standards in the pursuit of internal audit excellence.

As internal auditors solidify their roles as essential trusted advisors within their organizations, they must expand their global expertise and strengthen their professional networks.

This conference will equip audit professionals with innovative technologies and advanced methodologies, empowering them to proactively navigate evolving business challenges and emerging risks with confidence and precision.
